Ex. 5 Deliberative Process (DP)

They ask about the slides being posted and I don't know but I'm sure you and Maggie do.

Subject: IOAA Comments on External SI Meeting Slides

Hi Mary and Kacee,

IOAA had some comments on the external SI meeting slides that you all had sent up for review. There may be a couple more comments that come in, but since the meeting is coming up quickly, and some of these comments are extensive, I thought I'd pass them back now so that you had more time to address. One question – since this is for a public facing meeting, are the slides going to be posted or distributed in an form? In addition to the comments that are in the slide deck, below are additional edits:
